The President,
Town Municipal Council, Closepet

The Deputy Commissioner,
Bangalore District, Bangalore

Sir,

With reference to your No C2-4046/27-28 dated 10th and regarding the appointment of a qualified Sanitary Inspector for this Municipality, I have the honour to submit herewith a copy of the resolution of the Municipal Council passed on 19th instant and to request that the proposal already submitted may kindly be approved at an early date

I may mention in this connection that it is not possible to undertake and execute any works for the Improvement of the Town Sanitation for want of a suitable agency The Municipality has now to depend entirely on the help of which the local D P Overseer can give in his spare time for the execution of any works The Municipality being handicapped cannot show any progress in the works that are to be undertaken from next year for the improvement of Town Sanitation as no qualified man can be had for Rs 25/- the municipality was forced to raise the pay to Rs 35/- and the proposal may again be sent up to Government for sanction As regards the financial condition of the Municipality I beg to state that on account of the collection of old arrears which is now going on apace and also due to revision of taxes our finances will be much better from next year than what they have been during the previous years

No	Subject	Resolution
11	Deputy Commissioner's No. C2-4046/27-28 dated 10th May 1928 regarding the appointment of the Sanitory & Inspector	As the sanitation of the town is in a hopeless condition for want of a suitable man for the place due to the low pay of Rs/- that is available it was considered very necessary to increase the pay to attract a suitable and qualified man for the place. The Budget Prospects are quite satisfactory due to the revision of taxes and the collection of old arrears during the current year and it is resolved to urge the extreme need of sanctioning the proposal already submitted
